Pritt Multi Tack

EAN code: [6001091349263]

Solvent-free (100g, 35g, 20g)

Description

Pritt Multi Tack is a synthetic rubber putty which can be applied easily without mess, for mounting posters, party decorations and has many other uses. Pritt Multi Tack is non-toxic and safe for use by children.

Application

Pritt Multi Tack can be used for the following:

- mounting posters, party decorations, notices etc.
- cleaning typewriter keys
- cleaning lint from clothing
- cleaning dust and dirt from hard to reach spots

Due to its pressure sensitive nature, Multi Tack can be used to fix articles made from polyethylene or polypropylene and other difficult to bond surfaces. Fixtures will have only limited resistance to heat and moisture.

Technical data

Density: approx. 1.65 at 25 °C

Colour: pale grey/White

Directions for use

Remove a piece of desired size from the wallet, roll into a ball using the palms and fingers. Place in position and press firmly into place.

Clean up

To remove pull away slowly from the fixture. Small pieces that remain behind can be lifted using a larger ball. Spillage's can be cleaned with benzine.
