

## TECHNOMELT® PS 8668

Known as EUROMELT® 80-8668  
November 2024

### Product description

TECHNOMELT® PS 8668 provides the following product characteristics:

Technology	Assembly Adhesive
Product type	Hotmelt
Application	Pressure sensitive products

TECHNOMELT® PS 8668 is a high viscosity, permanent pressure sensitive hot melt designed for assembly application requiring high peel, shear and heat resistance. TECHNOMELT® PS 8668 adheres well to a wide variety of substrates. It has high tack and good green strength. All ingredients in TECHNOMELT® PS 8668 are approved under the Federal Regulation 21 CFR 175.105, which relates to incidental contact of adhesives with food.

### Technical data

Color	Amber
Viscosity, Brookfield RVT @ 375°F, cps	18,000
Viscosity, Brookfield RVT @ 350°F, cps	36,000
Ring & Ball Softening Pt, °F	284
Application temperature, °F	350-375

### Direction of use

#### Preliminary statement

Prior to application it is necessary to read the **Safety Data Sheet** for information about precautionary measures and safety recommendations. Also, for chemical products exempt from compulsory labeling, the relevant precautions should always be observed. Please also refer to the local safety instructions and contact Henkel for analytical support.

#### Handling Information

To avoid accidental contamination, keep container covered as soon as sufficient hot melt has been removed for use.

#### Precautions

No health hazards are expected with this product in its solid form. Once melted, it is like any hot liquid in that it can produce severe burns. Care should be taken to avoid getting the hot liquid adhesive on the skin. If this occurs, flush the affected area with large amounts of cold water. Do not try to remove the solidified hot melt. Seek medical attention immediately. Please refer to the safety data sheet for further information.

#### Classification

Please refer to the corresponding **Safety Data Sheet** for details on:

##### Hazards identification

##### Transport information

##### Regulatory information

#### Storage

Do not store in high temperatures.

**Disclaimer**

The information provided in this Technical data sheet (TDS) including the recommendations for use and application of the product are based on our knowledge and experience of the product as at the date of this TDS. The product can have a variety of different applications as well as differing application and working conditions in your environment that are beyond our control. Henkel is, therefore, not liable for the suitability of our product for the production processes and conditions in respect of which you use them, as well as the intended applications and results. We strongly recommend that you carry out your own prior trials to confirm such suitability of our product. Any liability in respect of the information in the Technical data sheet or any other written or oral recommendation(s) regarding the concerned product is excluded, except if otherwise explicitly agreed and except in relation to death or personal injury caused by our negligence and any liability under any applicable mandatory product liability law.

**In case products are delivered by Henkel Belgium NV, Henkel Electronic Materials NV, Henkel Nederland BV, Henkel Technologies France SAS and Henkel France SA please additionally note the following:**

In case Henkel would be nevertheless held liable, on whatever legal ground, Henkel's liability will in no event exceed the amount of the concerned delivery.

**In case products are delivered by Henkel Colombiana, S.A.S. the following disclaimer is applicable:**
